

- **NSW Therapeutic Advisory Group Inc**
NSW TAG is an organisation set up to promote quality use of medicines by sharing unbiased, evidence-based information about drug therapy. This website provides information regarding a number of projects working towards this aim including:
 1. Safer Medicines Group
 2. Drug Usage Evaluation Group
 3. PIMS
 4. APOP
 5. CAPTION

<http://www.clininfo.health.nsw.gov.au/nswtag/index.html>

- **EPIQ (Effective Practice, Informatics & Quality Improvement)**
This initiative is part of the University of Auckland's Medical and Health Sciences Faculty Pages. As the name suggests the site has a number of tools to help with evidence-based practice included excel spreadsheets and powerpoint.

<http://www.health.auckland.ac.nz/population-health/epidemiology-biostats/epiq/>

- **PACEP Pulmonary Artery Catheter Education Project.**
This website is an online education program covering all aspects of Pulmonary artery catheters. It is the result of a collaborative project between AACN, ANNA, ACCPM ASA, ATS & SCCM. The pages provide an interactive educational experience for the user including pre and post-tests to evaluate learning. And it's FREE!!
